

NATIONAL HAITIAN AMERICAN
CHRISTIAN CHAMBER of COMMERCE

FOR IMMEDIATE RELEASE

**The Launch of the National Haitian American
Christian Chamber of Commerce (NHACCC)
A Historic First in the United States**

Orlando, Florida — The National Haitian American Christian Chamber of Commerce (NHACCC) proudly announces its official launch as the first Haitian American Christian Chamber of Commerce in the United States, establishing a bold and transformative platform dedicated to empowering businesses, strengthening communities, and advancing faith-centered leadership.

Founded on principles of integrity, service, economic empowerment, and faith, NHACCC is committed to creating opportunities for entrepreneurs, professionals, and organizations across a rapidly expanding national network, spanning 20+ states. The Chamber's mission is to foster economic growth, professional development, and community impact, while promoting collaboration among businesses and institutions that share a faith-centered approach and commitment to ethical leadership and sustainable success.

President's Statement

"We recognize the urgent need for a unified platform that not only supports business growth but also strengthens families and communities through faith-centered principles. We aim to collaborate with all existing chambers and organizations to create lasting economic impact for generations to come." — Jacob Datilma, President, NHACCC
Vice-President's Statement "We are building a bridge between vision and opportunity, where faith and excellence meet to empower individuals and transform communities." — Marjory S. Bonzil, VP, NHACCC
